# **The Annual Staff Dedicates This Yearbook to Mrs. Barbara Guy**

Mrs. Barbara Guy graduated from Southwestern Oklahoma State University and then went on to teach at Fargo for two years — 1974-76. After resting a year from her experience there as a speech, drama and English teacher, she came to Arnett. In Arnett, Mrs. Guy teaches English and Spanish, helps with the plays, and has been a Senior and a Junior sponsor. Break a leg, Mrs. Guy!!

The school year of 1979-80 had the band receiving quite a list of accomplishments. In the first semester we marched in the Oklahoma State Fair Parade ranking fourth out of the fifteen bands in our division. We marched at the Arnett Kid's Day Parade a week after the State Fair.

In October we marched in Southwestern Oklahoma State University's Homecoming Parade and we also did a Halloween Carnival.

November was just as busy with us marching in the Woodward Christmas Parade and some of us playing in the Northwest Honor Band.

When December rolled around it brought with it Christmas so we performed at our Christmas Concert and marched in the Arnett Christmas Parade reading Old St. Nick around the square.

In the second semester we worked hard in January on contest music and then we went to the Elk City Pre-District Contest where we made a II in concert and a II in sightreading. That same month we went to Woodward to the Maynard Ferguson Concert and got to hear such hits of his like the theme from 'Rocky' and the theme from 'Star Trek' with him almost breaking our eardrums with his high notes.

March brought District contest at Ada where we made a II in concert and a II in sightreading once again and the seventh and the eighth graders participated in the Cordell contest.

We brought the year to a close by going to Tri-State in Enid and stayed for two nights on May 1, 2 and 3. We broke our rut by making a I in concert and a II in marching.

Father is waiting on a very important phone call, while Patricia, his teenage daughter is on the phone with the important man in her life. Father is forced to go to the drug store for his call. The cast of this farce was the members of the Elite Idealistic Earth Individuals Organization, employees of the health spa, and Star Raider with Nerd and Yuck. Their annual conference at a health spa called O' Mac Donald's Farm was attacked by invaders from the evil planet, Interna. Star Raider had discovered the secret of the E. I. E. I. O.'s strength they all seemed to be some insignificant Earth Person; then they changed their clothes and became Super Heroes. So he prepared a serum that would rob them of their ability to change clothes. The brilliant old lady and the fat brain in the rain coat and galoshes saved the muscular Super Heroes and spa employees.

# *Senior Play*

Mr. Morlock, a nervous, money-hungry grouch, won't let Mary, his daughter, become engaged to Joe Lanconi because Joe's papa is poor. When Luigi, Joe's father, comes to the Morlock home to plead his son's case a fight results. Because of Luigi's bad heart this feud results in Mr. Lanconi's death. When Luigi comes back as a ghost to harass Mr. Morlock, Mr. Morlock becomes frantic. Since Luigi is only visible to Mr. Morlock, the Morlock family believes Mr. Morlock has lost his marbles. When Mr. Morlock takes too many sleeping pills, he dies also. But the fight continues with Luigi and Mr. Morlock both seeking what they feel is best for their children. Mr. Morlock also watches as his family does not miss his death. Mr. Morlock now realizes what a heel he's been. If he only had another chance. But he does have another chance. It's all been a bad dream. He didn't die and neither did Luigi. A reformed Mr. Morlock makes vast promises and okays the wedding.
